

## PRODUCT SAFETY DATA SHEET

### SECTION 1: Product and Company Identification

Husker Plus™ Liquid Deicer

**Product:** Husker Plus™

**Recommended:** Anti-icing/Deicing fluid

**Authorizing Company:** Smith Fertilizer & Grain  
1650 Quebec St., Knoxville, IA 50138 USA

For Emergency Assistance: 1-641-891-8560  
For Other Information: 1-641-828-8508

### SECTION 2: Hazard Identification

NFPA — Hazard Identification: This system identifies the hazards in three categories: Health, Flammability and Reactivity, and indicates the order of severity ranging from 4, indicating a severe hazard, to 0, indicating no special hazard.

Ingredient(s): Trade Secret  
CAS No.: --  
NFPA: 0-0-0

### SECTION 3: Composition/Information on Ingredients:

Trade Secret

### SECTION 4: First-Aid Measures

**Route(s) of Entry:** Inhalation — none. Skin — unlikely. Eyes — yes. Ingestion — unlikely.

**Carcinogenicity:** NTP — no. OSHA — no.

**Threshold Limit Value:** See Section II

**Acute Oral Toxicity (rat):** Low acute oral toxicity; LD50 for rats is >5 g/kg.

**Skin Contact:** May cause irritation.

**Eye Contact:** May be irritating to eyes.

**Inhalation:** None

**Effects of Overexposure:** Acute signs and symptoms as listed.

### Emergency and First Aid Procedures:

**Ingestion:** If ingested, seek medical supervision.

**Skin Contact:** Wash skin with water and mild soap.

If irritation occurs, seek medical attention.

**Eye Contact:** Flush eyes with plenty of water for 30 minutes. Get medical attention if warranted.

**Inhalation:** Remove to fresh air. Seek medical attention if irritation persists

### SECTION 5: Fire-fighting Measures

**Flash Point (Method Used):** Not applicable

**Flammable Limits:** LEL — not applicable. UEL — not applicable. Special fire fighting procedures: Wear proper fire fighting equipment

**Unusual Fire and Explosion Hazards:** None

### SECTION 6: Accidental Release Measures

**Material is Released or Spilled:** All spills should be contained and picked up with earthen or other absorbent material and placed in suitable container.

**Waste Disposal Method:** Dispose per approved area regulations.

### SECTION 7: Handling & Storage

**Precautions Handling and Storing:** Spilled material may be slippery. Clean up spills completely before walking in the area of spillage.

**Other Precautions:** None

### SECTION 8: Exposure Controls/Personal Protection

**Personal Protective Equipment:** Protective clothing, gloves and safety eyewear protection are not required but recommended. Use appropriate NIOSH-approved respirator when needed. Respirator selection must be based on contamination levels found in the work area. Comply with OSHA standards 29 CFR 1910.134 Respiratory Protection and 29 CFR 1910.1000 Air contaminants Permissible Exposure Limits. Eyewash and Safety Shower should be available. Follow good housekeeping and manufacturing practices.

**Ventilation:** Use general or local exhaust ventilation to meet OSHA PELs or ACGIH TLV requirements.

### SECTION 9: PHYSICAL & CHEMICAL PROPERTIES

|                                       |                                      |
|---------------------------------------|--------------------------------------|
| Boiling Point (F)                     | Not available                        |
| Vapor Pressure (mmHg)                 | Not available                        |
| Vapor Density (Air=1)                 | Not available                        |
| Solubility in Water                   | Appreciable                          |
| Appearance and Odor                   | Dark aqueous solution;<br>sweet odor |
| Specific Gravity (H <sub>2</sub> O=1) | 1.28 - 1.31                          |
| Evaporation Rate (n-BuAc=1)           | Not available                        |
| Melting Point                         | Not available                        |
| pH                                    | 6.0 - 9.0                            |

**SECTION 11: Toxicological Information:** Available upon request

**SECTION 12: Ecological Information:** Available upon request

**SECTION 13: Disposal Information:** Available upon request

**SECTION 14: Department of Transportation — Classification:**  
Available upon request

**SECTION 15: Regulatory Information:** Available upon request

**SECTION 16: Other Information**

### SECTION 10: Stability and Reactivity

**Stability:** Stable

**Conditions to avoid:** None

**Incompatibility (Materials to Avoid):** May be corrosive to light metals.

**Hazardous Decomposition Products:** Thermal decomposition may produce oxides of carbon.

**Hazardous Polymerization:** Will not occur.
